Racor Turbine - p. 453

Racor Filtration

142 PURER
DIRECTLINK

- Fuel Filter Water Separators.....450

Applications:

- Providing OEMs and end users with quality filtration solutions, supporting our distributors in identifying key products aimed specifically at the MRO market.

Advantages:

- Extended equipment life.
- Removal of free water and particulate from fuel.

Benefits:

- Proven designs and product reliability.
- Parker media quality ensures filter efficiency and the right filter for every application.

Spin On Filters - FFWS No primer pump

FUEL FILTERS

- Description:**
- Parker Racor is an innovator in diesel fuel filtration and water separation.
- Applications:**
- Providing OEMs and end users with quality filtration solutions, supporting our distributors in identifying key products aimed specifically at the MRO market.
- Advantages:**
- Extended equipment life.
 - Removal of free water and particulate from fuel.
- Benefits:**
- Proven designs and product reliability.
 - Parker media quality ensures filter efficiency and the right filter for every application.

Replacement elements

142 Parker DirectLink

Part number	Details	Micron rating
R120P	Replacement element 400 / 600 Series	30
R120T	Replacement element 400 / 600 Series	10
R160T	Replacement element 400 / 600 Series	10
R20P	Replacement element 200 Series	30
R260P	Replacement element 260 Series	30
R90P	Replacement element 400 / 600 Series	30
R90T	Replacement element 400 / 600 Series	10
R90P-D-MAX-KIT	Replacement element kit	30
